Overview of the Event :

Tree conservation is the need of the hour. Because the value of trees is very important on this earth. It is because of these trees that we get oxygen. To increase the amount of oxygen, it is very important to plant as many trees as possible to get pure oxygen. Keeping this objective, NSS Volunteers of the college planted trees in Mokhara village.

Conclusion :

A tree plantation program made the people of Mokhara village aware of the importance of tree plantation.
